## PARKING REGULATIONS

Parking restrictions are generally in effect 8 a.m. to 6 p.m., Monday - Saturday. Specific time restrictions are posted. Customer parking is **free** in any public lot. Employee, downtown resident and commuter parking permits are available for purchase at the Police Department, located in the Schertz Municipal Building, 200 E Cook Avenue. Vehicles with permits, using customer parking during restricted hours, will receive a parking ticket with increasing fines per violation.

Employee/Downtown Resident Parking: Employee parking is identified with blue signs. Downtown residents may park in employee spaces between 8 a.m. and 6 p.m., Monday through Saturday, and in any parking space outside those hours. Every employee, employer and/or downtown resident who parks in employee designated spaces must obtain an employee parking permit. Permits must be hung from the rear-view mirror. The annual permit fee for 2013 is \$20 (\$10 if limited to Newberry Ave lot). Employee permits are valid during work hours only.

Metra Commuter Parking: A commuter parking lot is available at the downtown train station located on the north side of Lake St at Brainerd Ave. Spaces in this lot are restricted to permit holders only until 8:30 a.m., after which spaces become available for daily fee use. Additional commuter parking is available at Libertyville's Prairie Crossing Stations (Harris Rd & Rte 137). Commuter permits may be purchased from the Police Department for either lot. Permits are limited and are sold on a first come, first serve basis. A small number of daily fee parking spaces are available downtown at the station and in the lot on Newberry Ave (east side of Milwaukee Ave), while an abundance of daily fee spaces can be found at Prairie Crossing.
