

Summer 2020 Recreation Programming Changes

FOR IMMEDIATE RELEASE Libertyville, IL, May 4, 2020 –

Due to the uncertainty pertaining to the safety of public gatherings this summer, The Village of Libertyville has made the decision to close its two pools (Adler and Riverside) for the 2020 season. The health and safety of our patrons is our primary concern and the ability to provide a safe environment during the COVID-19 pandemic is ever changing. If you purchased a pool pass or enrolled in summer pool programming, you will receive a refund via check within the next few weeks. If you have additional questions please contact us at 847-362-2430.

Other summer recreational programming may be limited and may include smaller group camps with social distancing measures. These plans are conditioned on State and Federal requirements related to COVID-19 social distancing measures being reduced by the end of May, 2020.

The Libertyville Sports Complex remains closed. The facility hosts large gatherings and sporting events with participants in close proximity to one another. The Village plans to keep the facility closed until a safe environment can be maintained.

For up to date information related to recreation programming visit the Village's website at Libertyville.com and follow us on social media.

About the Village of Libertyville – The Village of Libertyville is a north suburban Chicago community of nearly 22,000 residents and over 900 businesses, including 25 retail centers, 100 restaurants and a historic downtown. www.VisitLibertyville.com
