### **Libertyville Recreation Summer Camp Update**

**Libertyville, IL-** Due to the uncertainty pertaining to the safety of public gatherings this summer the Village previously communicated that Adler and Riverside Pools will be closed for the 2020 season and that other summer programming would be limited. The Village has reviewed the Restore Illinois Phase 3 Guidelines for operating the Adler Summer Day Camp, as well as Teen Travelers and found that due to the group size limitations and social distancing requirements, as well as necessary contingency locations during inclement weather, it would be difficult to operate these two programs while still providing a safe, fun environment. The Sunshine Kidz (ages 3-4), Camp Adventure (Ages 5-6) and Libertyville Safety Town (K-3) will still be offered and will follow all required safety regulations in accordance with the Restore Illinois Plan. If you are entitled to a refund for a program cancellation, you will automatically receive a refund and do not need to contact us to request it.

In an effort to provide Libertyville residents with a camp alternative for the Adler Summer Day Camp, the Vernon Hills Park District has agreed to extend resident rates for their two camp offerings which provide camp opportunities for K-3<sup>rd</sup> grade and 4<sup>th</sup>-7<sup>th</sup> grade. Libertyville residents can register for these programs beginning June 8<sup>th</sup>. To learn more visit [www.libertyville.com/camp](http://www.libertyville.com/camp). Additional summer recreation programs will be offered by the Village of Libertyville and will be available in an online registration guide beginning on Friday, June 5<sup>th</sup> which can be located at [www.libertyville.com/recreation](http://www.libertyville.com/recreation).
