Memorial Bench Options and Estimated Prices

Disclaimer: Location of bench dependent on option. Prices are subject to change by 5% dependent on contracted vendor

OPTION #1

Plastisol coated and located at most of the playgrounds. It holds up well but doesn't accommodate any plaque or signage. At Cook playground bricks are used instead of a plaque on the ground nearby.

Estimated Cost: \$2,067 (does not include plaque or bricks for nearby)

OPTION #2

Best constructed but is the costliest. Plaque is mounted in the center seat back, can be post or surface mounted, straight or curved. This is what is in Cook Park and the commercial business district.

Estimated Cost: \$3,225 (includes plaque)

OPTION #3

Currently can be seen at Adler park. It is located on the bike path in Adler Park and is similar to what is along the trail by the river. This is the only one of its kind in the parks. *The plaque is inscribed by the payee.*

Estimated Cost: \$1,355 (does not include cost of plaque)
