FEE SCHEDULE

Please check (√) all items that apply to you

Note: Contractors applying for two or more registrations need only submit one fee in the amount of \$125.

Type of Registration

- #1 Installation, repair, maintenance, and testing of **fire alarm systems** by electrical contractors. **Illinois-licensed fire alarm contractors are exempt from the fee.**
- #2 Installation, repair, maintenance and testing of **fire pumps.**
- #3 Installation, repair, maintenance, and testing of **fire sprinkler or standpipe systems**
- #4 Installation, repair, maintenance, recharging and testing of **portable fire extinguisher**
- #5 Installation, repair, maintenance and testing of **elevators, escalators & platform lifts**
- #6 Installation, removal, repair, maintenance & testing of **above ground hazardous materials storage tanks**
- #7 Installation, removal, repair, maintenance & testing of **below ground hazardous materials storage tanks**
- #8 Handling of **explosives**
- #9 Installation, repair, maintenance and testing of **hood and duct systems** for cooking
- #10 Installation, repair, maintenance & testing of **specialized fire suppression systems**

All applications must be accompanied by a current **Certificate of Insurance with the Village of Libertyville listed as the certificate holder** and, where applicable, a **copy of your state license.**

For electrical firms applying for a Fire Alarm Certificate of Fitness: it is required to provide your current fire alarm business license from the State of Illinois.

Please make check payable to: **Village of Libertyville – Fire Department**
 If preferred, please mail your check to:
 Libertyville Fire Department, 1551 N Milwaukee Ave, Libertyville, IL 60048
