Re: _____
Address of Work

Dear Sir:

It is indicated on the Construction Permit that you will be installing the electric system in this construction project, thus taking responsibility for the work performed. Please sign below indicating agreement to follow the 2017 National Electric Code, the Village of Libertyville Municipal Code and be present during all electric inspections.

Thank you very much for your cooperation and please do not hesitate to call me at (847) 918-2022 should you have any questions.
