

## Cook Park Buy a Brick Program Order Form

### **Program Details:**

In 1999 the Village undertook a major renovation to Cook Park, which included the installation of brick pavers along various sections of sidewalk within the park. At that time the Village offered a “Buy a Brick” program for residents and businesses to purchase a 4” x 8” brick and have it installed in the park. The Village is once again offering the program.

Residents and businesses can purchase one or more personally engraved 4” x 8” bricks, which can be used to celebrate someone or something important in your life, identify you or your family as a donor/supporter of the park, or memorialize a loved one.

**Cost- \$200/brick**

**Additional \$75/brick keepsake**

The cost of the brick includes the amount of the brick and installation with any remaining funds to support Village park improvements and is not tax deductible.

**Orders must be received by December 31, 2024.** Installation is anticipated in Spring of 2025. Bricks are guaranteed for 5 years.
